Last week’s school concert, held at The Arena, was an absolute triumph for our whole school community. This was our fourth concert at this venue and it was possibly also our best. The hours of work put in to preparation certainly paid off and I’m sure that everyone who was able to attend thoroughly enjoyed the performances of the children. There was so much colour, so much variety and most importantly so much talent!

The children gain a lot from being able to participate in such an event. Performing on stage in front of a live audience does wonders for the children’s confidence and wasn’t it great to see them so comfortable and happy up there?

Although we said thank-you to many people on the night it’s worth reiterating our appreciation here. Our Concert Committee of Liana Calder, Melissa Maccora and Chris Ramm did an amazing job keeping us all on track; Belinda Kevric once again provided our children with a wonderful opportunity to express themselves through dance; my staff were fully committed to the event and gave their all to make it a success; our parent community and extended families got behind the event with incredible levels of support; and, most of all our magnificent students threw themselves into the whole experience and provided us with a great night of entertainment. Thank you everyone!

If you have Woolworths Earn & Learn stickers at home please send them to school so that we can include them with our rewards claim.

**BATESFORD 2016**

Next week letters of confirmation will be sent home to the families of children who will be attending Batesford next year. We have been delighted with the response to enrolments for our Batesford campus and for the first time we actually have a number of children on our waiting list in case a vacancy becomes available.

**FOOTY DAY TOMORROW**

Our annual footy day is being held tomorrow and parents are welcome to join in the fun between 11.30am and 1.30pm. We are also providing the opportunity for families to have lunch together at 1.30pm. This is always a very popular day and the children look forward to showing their colours and supporting their favourite team. Please be aware that it’s not necessary to go out and purchase a footy jumper or any other footy merchandise. We do expect to see a wide range of items including scarves, ribbons, flags and a variety of footy fashion. Many thanks to Josh Westwood who has coordinated this event.

**2016 ENROLMENTS**

We have 49 confirmed enrolments of Prep in 2016 and because of this I can confirm that we will be having three Prep classes. Early in Term 4 we will be working on our whole school structure for 2016 and it is vitally important that we have accurate numbers of enrolments. If you are yet to enrol your child for Prep or if your child will not be attending Rollins in 2016 please advise us as soon as possible.
