PREP

We have nearly reached capacity for our Prep grades in 2019 which is wonderful at this stage of the year. If there are any parents who have not enrolled their child please contact the school ASAP. Once we have reached capacity we will no longer be able to accept applications. Please be aware that if you have a sibling at this school, you **MUST** still get your paperwork in before we reach capacity. Please be prompt.

ATTENDANCE/SCHOOL UNIFORM

I remind families that school uniforms are compulsory and all children should be in uniform every day. In the event that your child is unable to attend school in their uniform for a particular reason we ask that you provide details of the reasons in writing. We are lucky at Rollins that just about every child is very proud to wear their uniform to school.

MOTHER'S DAY STALL

This year, like always, we had many wonderful gift donations for our Mother's Day stall, which ensured that all children were able to purchase something special. Thank you so much for your support.

I would also like to thank the parents who gave up their time to organise and conduct this event. As a result of your support the school raised over \$686. Thank you!

BOOK FAIR

Book Fair will run from Tuesday 22nd May—Thursday 24th May each morning from 8.45—9am and each afternoon from 3.30-4pm. The final session for Book Fair will be Friday morning, 25th May from 8.45-9am.

This will be held in the Grade 3/4 area opposite Daniel and Gary's room.

NAPLAN TESTING

I would like to take this opportunity to congratulate our teachers and students on the way they have prepared for the NAPLAN National Testing program, which they took part in this week. Our Year 3 and 5 students worked through a range of literacy and numeracy tests and we were very pleased with the level of commitment and endeavour they showed. I think that the work and preparation that has gone into building student knowledge, while also managing the pressure of a test situation, has been outstanding. The results for these tests are not usually available to schools and parents until around the middle of Term 3. Let's hope that the students' results reflect the huge amount of effort that went into preparation. Great job everyone.

EDUCATION WEEK

Next week is Education Week across the state and we have a number of special events planned that we hope you will be able to participate in. This year the theme is 'Celebrating the Arts' and our students will work on a range of related activities throughout the week.

A timetable for Education Week has been sent to each family via Compass and posted on our Facebook page.

PARKING

Just a reminder to parents that the traffic infringement officer is often around this area and if you are parking illegally you may receive a fine. Please be aware of the restrictions and parking permit areas.

STAFF SAFETY

We encourage students to use the oval for ball games such as soccer and football. Games that involve the use of a tennis ball (e.g. downball) can be played in any area of the school. Unfortunately, there are times when balls become lodged on the school roof. In these instances we will be unable to retrieve them immediately due to the large number of OH&S requirements. For this reason we ask that students do not bring expensive equipment to school. We have a huge range of school equipment that can be borrowed by students during their recess and lunch breaks.

This week is Assembly Week-3/4H

Captain's Comment

Students from Prep to Grade 6 had a three way interview. The students prepared for and ran the interviews. It was an opportunity for students to share their goals with their parents and discuss what they had achieved. Everyone had lots of fun and put a lot of effort into it. The Preps enjoyed their time at the teddy bear hospital incursion. The 3s and 5s did NAPLAN this week. The grade 1s and 2s are going to the Lethbridge airport to see some airplanes as it is part of their transport topic. Also, the grade 5/6s are doing an Asia project and are thoroughly enjoying it.

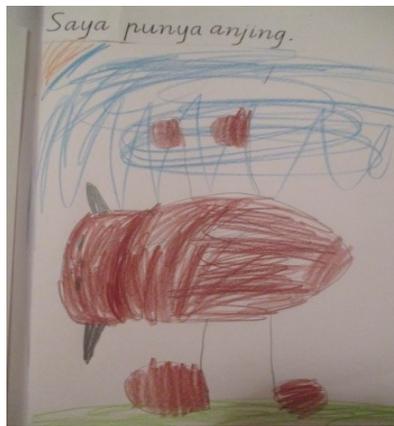

Aashtin 5/6J

Indonesian

The Prep students have had the opportunity to learn the Indonesian words for some animals. The students have been looking at how to say if they do or do not own a pet. Here are some examples of their wonderful work -

Prep T ready to sing 'Saya Punya Anjing' (I Have a Dog).

The students in Grade 1 and 2 have been introduced to some Indonesian words for parts of the face. They have been singing songs and playing games to practice this language. The students have also had the opportunity to listen to some stories that incorporate this vocabulary.
