

Rollins Primary School – New Co Coordinator for Before and After School Care

A note from Brody our new carer

Hello Families of Rollins Primary School!

I would like to begin by introducing myself. I am Brody Nicholls and I have recently begun as the new coordinator at the Before and After School Service.

I currently hold my Certificate 3 in Early Childhood Education and Care, and have recently enrolled and begun studying my Diploma in Early Childhood Education and Care.

I began my journey in childcare, working with children between 06 months and 05 years of age.

I remained at my previous job for almost two years before accepting this job opportunity through Camp Australia!

I consider myself a spontaneous person, embarking on copious weekend adventures. If I'm not in my car, driving around and exploring what the world has to offer I can be found at home. I can be quite a hermit and can often be found lounging around reading or watching an excessive amount of Netflix! I am a social butterfly and enjoy visiting my friends and spending time with my family.

I chose a career in education - specifically early childhood with the belief that children are our future. I believe in fostering children to be themselves and working alongside them to develop and become who they aspire to be!

If you see me around in the bright blue shirt - don't hesitate to introduce yourself!
