INDONESIAN DAY

Last Wednesday was another busy day at Rollins-Indonesian Day. The students all participated in a number of cultural activities including tasting various Indonesian delights. Many thanks to Bu Hurt for organising this great event.

CONGRATULATIONS

Congratulations to Emily Hart on the arrival of Bobby Hugo Hart who arrived in this world last Wednesday. Mother and bubs are doing well. We will hope for lots of "sleep filled and quiet" nights!

WELL DONE

The Education Department contacted me last week to inform me that Mr Doug Ilsley has completed 45 years as a department employee. This is a huge milestone and one he should be very proud of. We congratulate Doug and thank him for his contribution to the many students in his care during this time.

This week is Assembly Week-2W Performing

STEM/ART NIGHT (5.00-6.15pm)

On ***Wednesday 15th August*** *Rollins is conducting their first STEM/ART Night. Each grade will have* ***STEM*** *(**S**cience, **T**echnology, **E**ngineering &**M**aths) activities operating and parents are encouraged to come along and work in partnership with their child between 5.00 and 5.45pm. There will be opportunities to visit other grades to see more STEM activities. The BER building will (as in past years) be open with children's art work displayed. Prep parents can purchase a family portrait created by their child for $5 (Great to display on their 21st birthday!)*

To save families cooking dinner when they go home sausages in bread and drinks will be available on the night for a small cost. The barbeque will operate between 5.30-6pm.

The band and choir will perform at 6pm on the night. Please put this night in your calendar as it would be wonderful to see everyone here to experience the great things that are happening at Rollins.

PARENT OPINION SURVEY

This week a number of families will have received information regarding a Parent Opinion Survey. This is an annual survey offered by the Department of Education to a randomly selected sample of families. We encourage those families who were selected to complete this electronic survey as it will provide valuable information for us to direct future school planning. If you have any problems accessing the survey please contact Sandy in the office and she will assist you. Many thanks.
