MEET & GREET (PARENT/TEACHER INTERVIEWS)

Many thanks to the parents who attended last night's Parent/Teacher interviews. This was a great chance for parents and teachers to work together to maximise the learning outcomes of our students. A huge thank you to our teachers who worked all day and then organised their family life around our interview schedule.

EASTER RAFFLE

A book of tickets for our Easter raffle has been given to the eldest family member. Please try your best to sell these tickets as all money raised will go towards our new oval development. Please return all tickets sold or unsold to school by **Friday 15th March** as we need to account for every ticket. If you require additional books please contact Sandy in the school office. Thanks to all parents for their support.

MARKET NIGHT

We look forward to seeing as many people as possible attend our Family Night on **Wednesday 20th March** from 5.00-7.00pm. There will be numerous stalls and activities to keep you entertained. A sausage sizzle and soft drinks will be available on the night, so no need to go home and cook dinner. Our Easter raffle will be drawn on this night. In all, it should be a great opportunity for families to come together and enjoy time as part of the Rollins community.

COMPASS REMINDER

Just a reminder to parents that if your child is going to be away for a medical appointment or forthcoming event please log it on COMPASS rather than verbally informing the teacher. Teachers have a lot going on and can forget to log it, resulting in the school calling you for confirmation. This will streamline the whole process. I know the teachers and Sandy will be grateful. Thanks.

STUDENT WORK DISPLAYS

As I walk through the school I can't help but be impressed by the outstanding student work on display in our foyer area.

I would like to thank the students and teachers for the effort that they have put in to ensure that our notice boards are full of brightly coloured displays. Next time you're in the school take some time to enjoy these wonderful displays.

SCHOOL COUNCIL

Our school council composition is now complete and is as follows:

Parent Representatives

Erin McGill (President) Bernie Ward (parent)
Davina Reid (Vice President) Jasmina Blagojevic (parent)
Kristi Washington (Treasurer) Sally Griffin (Parent)
Nicole McPoyle (Parent)

Department of Education Representatives

Jenny Hassett (Principal) Tim Callaghan (Assistant Principal)
Sharni Oliver (teacher) Silvana Trajanovska (teacher)

Thank you to all members for volunteering their time. Without the contribution of such committed staff and parents we would find it difficult to achieve such great things at our school.

STUDENT ACCIDENT INSURANCE

It is important for parents to note that neither the school nor the Department of Education provide a whole-of-school insurance policy. As the Principal I am obliged to remind parents or guardians that:

Parents or guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs; and

We also do not hold insurance for personal property brought to schools and we have no capacity to pay for any loss or damage to such property.

ASSEMBLY

With the extreme weather forecast for tomorrow we have decided to cancel the school assembly. There is no air conditioning in the multipurpose Building and I believe 300 students in such an area in the heat is not a good idea. Batesford's musical performance will be rescheduled to our next formal assembly on Friday March 15th. At this assembly we will also recognise our grade captains for semester One 2019. Star Of the Week will also be presented. Apologise for any inconvenience to parents.

This week's Assembly- Cancelled due to extreme heat.

Captain's Comment

The work on the oval is starting. The oval will be cleared of any excess dirt and we expect to have a brand new oval by early term 2. We are selling \$1 icy poles every Tuesday and Thursday because the canteen is closed on those days. All the funds raised will go towards Mr Mac's running track. Good job on another week at Rollins.

EASTER RAFFLE

DONATIONS OF EASTER CHOCOLATE, CONFECTIONARY AND GOODIES CAN BE LEFT AT THE OFFICE.
RAFFLE DRAWN ON FAMILY NIGHT WEDNESDAY 20TH MARCH

ART ROOM

If you have shoe boxes or cereal boxes the art room is in desperate need. Your support is appreciated!

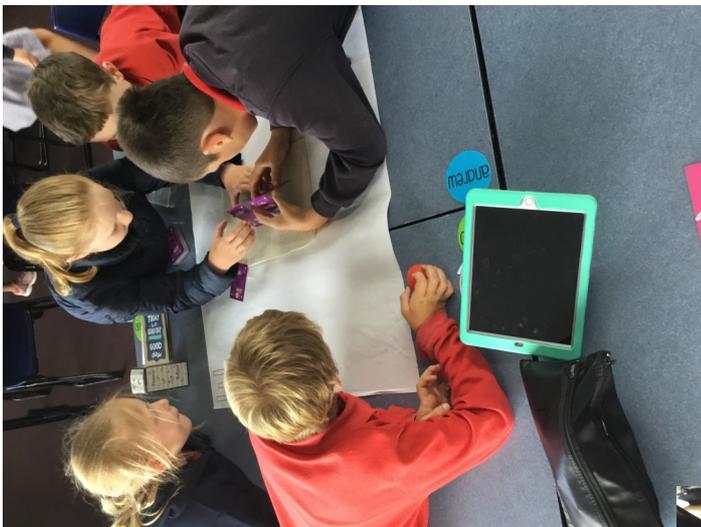

I'm trying to be a leader here!

This term in the grade 3/4 unit we have been focussing on KIDNATION under our Reach banner for our integrated studies topic.

Our students have been working in groups together and have been participating in, reflecting and collaboratively working in small groups with one another through a series of challenges. We have attempted to build a house of cards, tried to save an egg from becoming breakfast, and have constructed some serious paper planes ready for the air show! At times we have become stuck in the dip (ask them what they mean by this) and faced challenges through these activities. Through Kidnation our students explored how the importance of effective communication and teamwork is the key to accomplishing any task.
