Friday 5<sup>th</sup> April -Last day of term 2.30 dismissal

Thursday 28<sup>th</sup> March 2019 – Issue 5

## From The Principal

### **Family Night Thank You**

I would like to thank the entire community for supporting our annual Family Night so enthusiastically. Once again the crowd was large, the weather was favourable and there was a real carnival atmosphere in the air. There were numerous parent helpers who so kindly gave up many hours to assist with setting up and organising the event. To each and every one who helped in so many different ways we say a huge "Thank you". A special thank you to Erin McGill and Kendl Allcorn who spent many hours organising and coordinating the entire event with absolute precision. Thanks also to all of my staff who willingly gave their time to help ensure the success of the event. As a result of everyone's contribution we made a profit of just over \$4000 which will go toward our new oval. Great job team Rollins!

### **Prep Enrolments 2020**

We have conducted a number of school tours for interested families throughout this term and have many prospective enrolments for 2020.

Our school has developed a very good reputation in the local community and as a result demand for Prep enrolments is high. If you have a child who will be starting school in 2020 I encourage you to get your enrolment forms in as soon as possible as we have limited positions available.

Additional Prep tours in Term 1 for prospective students for 2020 will be held on Tuesday 2<sup>nd</sup> April at 9.30am and Friday 5<sup>th</sup> April at 9.30am.

### **Parents - Fence**

A reminder to parents to please come via the office if delivering anything or collecting students. We also ask that parents do not chat to their child or other students over the fence. We encourage all students to be at least one metre clear of the fence at all time for their safety. Thank you for your support in this matter.

## **Year 3-6 Numeracy**

Family participation in learning is one of the most accurate predictors of a child's success in school and beyond. Providing opportunities to discuss and engage in mathematics supports your child's learning in and out of school. Your child will also begin to connect the importance of maths with their everyday activities, such as navigating public transport, comparing and choosing the best item to buy in stores, setting a budget and cooking. Maths today is not about learning by rote. Today the focus is on recognising that there are multiple ways to get an answer, and being able to explain how and why you chose the approach you did. Focus more on the process rather than the answer.

Topics for conversation and investigation include-exploring sports, watching the weather, sharing recipes, browsing catalogues, travel timetables and handling money.

## **Last Day Of Term 1**

Please note that the last day of Term 1 is **Friday 5th April**. Students will finish school at **2.30pm**. Please organise to have your children collected at this time or contact Camp Australia (our Before and After school provider) for assistance.

Students return to school on Tuesday 23<sup>rd</sup> April (Monday 22<sup>nd</sup> April is a public holiday- Easter Monday).

I hope all families have an enjoyable holiday and are able to spend some quality time together. I would like to thank all parents and community members for their support during this term.

## **Assembly This Week**

**5/6S will perform for you**

**Jenny Hassett**  
Principal

# ROLLINS STAR OF THE WEEK!

For the week ending Friday 29<sup>th</sup> March 2019

Prep JK	Will McAuliffe	For displaying wonderful persistence with his writing and cutting skills. Terrific effort. Well done!
Prep JT	Hamish Capper-Smith	For always showing exceptional learning in everything he does, being a kind and funny member of Prep JT.
Prep ST	Millie Bush	For being a Superstar student who strives for excellence in all that she does. Well done Millie.
1MC	Ruby Wesolowski	For being a Superstar in all areas of her learning and showing great resilience over the last week. Well done Ruby!
1JS	Kane Hathway	For always truing hard to improve his work and asking questions if unsure of something.
2JW	Tahliya Sharma	For always giving things a go in the classroom. Keep it up Tahliya!
2PW	August Seiffert	For an outstanding week and getting the most out of his class time.
34C	Ethan Hathway	For his persistance with solving his fraction match sheet in Maths. Great job!
34D	Zander Bartolo	For his effort and perseverance in his Narrative writing piece on "The Worst Day At School". Well done champion!
34O	Sulyn Ward	For amazing work on her Stop Motion Animation. It looks incredible!
34W	Isiah Oppusunggu	For being a legendary student and breaking a Batesford Kidnation record.
34Z	Finn Harrison	For doing a great job each week with his home reading. Great work!
56C	Jake Pawlak Amelia Bicanic	For asking a lot of questions in class and working extremely hard on his persuasive writing piece. For creating artistic drawings during visualisation exercises. I'm jealous!
56I	Kaitlyn Humphrey	For often offering to help doing jobs in the classroom and around the school. Your help is greatly appreciated.
56S	Lip Patel	For her amazing narrative writing 'Lost, You Found'.
STEM	Georgie Webster	For an amazing job on your 'Earthquake Poster' and efforts in STEAM.
Music	Jay Ristevski	For fantastic bass playing in the band and also for helping pack up all the equipment on Friday night.
Art	Zarah Charles	For a wonderful 'Creative Monster'.
P.E.	Noah Bremner	For demonstrating amazing cricket skills and using great sportsmanship.

## Parking Near The School

**A reminder that the streets near Rollins can be hectic. It is very important that all parents/carers park safely and responsibly. The safety of all children must be our number one priority.**

**Double parking or parking on nature strips is not acceptable.**

## CAPTAIN'S COMMENT

**Last week we had a great performance from Batesford well done you all did great. Now onto the market - I hope everyone enjoyed market night Mr Ilsley once again was the money maker. Well done to everyone how dunked a teacher and just remember school ends on the 5<sup>th</sup> of April.**

# 5/6 Chronicle

28TH MARCH 2019

## These are things we have been doing this term!

### MATHLETICS HAS BEEN A GREAT HELP WITH OUR LEARNING!

In the picture Ela is working out the answer to the question. As you can see the question is what time will it be in 1 hour and 40 minutes after 10:40pm. She has worked it out and taken her time to get it right. Ela has got it right because she took her time and the whole class has done the same and tried their best at doing it. In maths we have been on Mathletics and we have been doing 24 hour time. We have finished a lot of tests on this topic and our class have been working very hard. We have completed many tasks in preparation for NAPLAN.

We have also written quotes in our posters. Here's an example: if you treat someone with respect they will treat you the same way that you treated them. REACH stands for Respect, Encouragement, Ambition, Consideration and Honesty. We treat each other with the values in our classroom.

### Writing

In writing, we had 7mins to plan, 30mins to write and 3mins to edit. We did a writing piece on dogs vs cats. You might find one in the pictures. We have been highlighting key words in questions and identifying key writing techniques such as: powerful words, 5 senses, rhetorical question, similes and compound sentences. By Meyah

### Reading

In reading we have been inferring texts such as Geronimo Water Park. We had to answer questions that tested our ability to infer. The class is really enjoying using Reading Eggs. Not that long ago we did a Naplan test so we know what we need to focus on when it actually comes!

**Show Don't Tell**

Nate wrote an amazing piece that described and explained, so the reader paints a mental image in their mind rather than just telling a story.

**Cats Annoy Dogs**

Imagine you are happily playing by yourself and an annoying cat attacks with its razor sharp claws...

#### SCHOOL COUNCIL MEMBERS
