### Help for non-English speakers

If you need help to understand the information in this policy please contact the school office.

### Purpose:

To outline to our school community the Department's and Rollins Primary School's policy requirements relating to homework.

### Scope:

This policy applies to students in all year levels and staff responsible for setting and monitoring homework at Rollins Primary School.

### Rationale:

Rollins Primary School has developed this Homework Policy in consultation with the School Council to support student learning and wellbeing by:

- providing opportunities for students to review, revise and reinforce newly acquired skills
- providing opportunities for students to apply new knowledge
- providing opportunities for students to prepare for future lessons
- encouraging students to enrich or extend knowledge individually, collectively and imaginatively
- fostering good lifelong learning and study habits
- supporting learning partnerships with parents/carers.

### Definitions:

**Homework** is tasks assigned to students by teachers that are meant to be carried out during non-school hours.

### Policy:

At Rollins Primary School all homework set by teachers will be:

- purposeful
- curriculum-aligned
- appropriate to students' skill level and age
- designed to help students develop as independent learners
- monitored by the teacher
- where appropriate, provide opportunities for parents/carers to partner in their child's learning.

### **Early Years (Prep—4)**

Homework will consist mainly of:

- reading activities to, with and by parents.
- simple extension tasks associated with classroom activities.
- gathering of additional information or materials

Homework will generally not exceed 30 minutes per day and will not be set on weekends or during vacation periods.

### **Senior Years (Year 5—6)**

Homework will consist mainly of:

- independent reading on a daily basis
- tasks such as continuation of classroom work, projects and assignments, essays and research

Homework will generally not exceed 45 minutes per day, must be coordinated between teachers to avoid excessive workload, and may be set during weekends and school vacations.

  - growing plants
  - reviewing their favourite film or book
  - writing a diary entry
- engaging with parents in learning activities such as:
  - rehearsing a presentation with parent/carers, and seeking their feedback
  - interviewing a family member as part of a research project.

### **Shared definitions and responsibilities:**

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Responsibilities and expectations for **leaders at Rollins Primary School** are to:

- advise teachers, students and parents/carers of homework expectations at the beginning of the school year and provide them with access to the homework policy.

Responsibilities and expectations for **teachers at Rollins Primary School** are to:

- set homework that is curriculum-aligned and appropriate to the student's skill level and age
- ensure homework tasks are purposeful – this means they are deliberately designed and planned to support student learning (so, they are not 'busy work' or where students 'finish off' work they did/could not complete in class)
- assess homework and provide timely and practical feedback

- ensure the amount of homework set supports a student to engage with a range of recreational, family and cultural activities outside of school hours
- offer opportunities for families to engage in their children's learning.

Responsibilities and expectations for **students** are:

- being aware of the school's homework policy
- discussing homework expectations with their parents/carers
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment (for older students).

Responsibilities and expectations for **parents/carers** are:

- ensuring there is a balance between the time spent on homework and recreational, family and cultural activities
- talking to teachers about any concerns they have about the homework
- discussing homework with their child in their first language, if English is not the main language spoken at home,
- in dialogue, linking homework to:
  - previous experiences the child and/or parent/carer may have had
  - family culture(s), history(ies) and language(s)
  - relevant services, clubs, associations and community.
- ensuring there is a quiet study area for their child to complete homework.

### **Support for students and parents/carers:**

Rollins Primary School understands that students have different learning strengths, preferences and interests and may approach learning activities and homework differently. If parents/carers are concerned their child may not understand the homework tasks that have been set or is spending a long period of time completing their homework, we encourage parents/carers to speak to their child's teacher.

### **Communication:**

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website [www.rollinsps.vic.edu.au](http://www.rollinsps.vic.edu.au)
